

Your Image Is Everything...

Whether it's simply adding color or dramatically transforming your room, Image is everything can provide the right lighting and visual solutions, from uplighting, to wall wash lighting, pinspotting, gobo monograms and more.

Uplighting

Numerous columns of light can completely transform and add dimension to your room. Uplights can be placed near walls to create columns of light, or they can be placed underneath head tables and or sweet tables. The Uplights can be adjusted to almost any color, and when activated, the lights at the venue can be dimmed.

Uplighting can greatly enhance the ambiance of any room in a very elegant way.

Head Table LED Uplighting:

Note: After the reservation of our lighting services, floor plan(s) and (or) a venue inspection may be needed to determine placement of lighting.

Pinspotting:

Illuminate and accentuate a particular item or specific area with an array of pinspots.

Guest Tables, Centerpieces, Cake Tables, Bars, Sweet Tables, Sign-In Tables

Pinspotting: \$30.00 per fixture

Note: A floor plan and venue inspection is needed to quote the installation pricing for venue.

Gobo Monogram

Imagine your name in lights! A gobo monogram may produce the “wow” factor that will dazzle your guests at your event. Guests entering the room will see your initials, your names or your special logo displayed in light on the dance floor or wall.

Monogram Projector with custom gobo monogram design. \$300.00

Note: A minimum of three weeks setup time is needed before the event date to design and manufacture the gobo monogram.

* Package pricing available with combined DJ services.
